How to access our Wi-Fi network

- Turn on your Wi-Fi
- Select the SSID (network name)
- If the login page doesn't open automatically, launch a web browser (we recommend using Chrome or Firefox)
- Try visiting any website, and you'll be redirected to the authentication page
- Enter the password
- Click "Connect," and you'll be online.

Tips for fixing connexion issues

- Try to launch your VPN first
- Open in a web browser the link:

  "https://wifi.square-brussels.com/"

- Utilisation of Chrome or Firefox is highly recommended
